After study leave:
S6/5 allocated lockers then S4

*S3 pupils to position themselves in
friendship groups in front of locker areas
during study leave to deter locker
vandalism*

*Pupils who put their bag into Pastoral
Care, those with medical reason, teachers
who need them, anyone with a
disability/injury, Young Parents.*

*Pupils in the quiet room – but this might
make them more anxious. Might help them
to learn responsibility.*

B) Longer term
S6/5 allocated lockers then S4

*Senior pupils to position themselves in
friendship groups in front of locker areas
during study leave to deter locker
vandalism – they will probably be there
anyway.*

C) Suggested rules:

*Be able to decorate the inside- must be
removable decorations. Should not be
trashed.*

Deposit- but exceptions for those who

Miss Anderson to speak with
SMT and Mrs Kerr for
assembly.

SMT Q: Is it combination
locks? Will this disrupt the
office if they forget? Should
there be a max number of
times you can ask for rest?

cannot afford

A Bit of “wallpaper” should be stuck inside

each locker- allows pupils to decorate

freely.

3. PV project: Gabrielle, Cayden, Joanna, Liam would like to be involved.

4. Easterfest reflections;

People involved: 8

People who enjoyed this: 8

People who think this should happen again: 8

Improvement on last time: 8

Suggestions for improvement:

More tannoys for choice forms to be completed

We spent less than a period inputting choices- we couldn't collate all because options sheets weren't handed out on time. These must be completed at registration or assemblies. SC member should lead this in registration.

SC felt more involved in the process.

Give a whole to complete forms in classes.

Pupil Voice:

Can we have a letter before holidays to remind parents?

Can S4 have their Golden Afternoon? ☺
