Kerys and Ellis to update SC Board

5. Extra Curricular Update
Fraser Gilmour has updated the sports on the power point.

Liam will link with Miss Anderson regarding the revised power point for assemblies.

6. Student voice

School funds: Can more funds be put towards departmental equipment?

Can new/better departmental equipment be used for exams rather than older equipment?

Can there be more non uniform days to raise funds? – some pupils felt that this excludes some pupils who can't afford certain clothes or the payment.

People feel that pupils will be under pressure to buy new clothes and this is not fair on some pupils.

7. Teacher representative: Mr Grant joined the Council as a teacher representative. SC discussed Mr Grant's role at meetings. He will speak to teachers more and find out their issues to share at meeting. Mr Grant would *like to feel part of the team.*
