Patrick Oberg

17th February 2025

Dear Parent/Carer

S3 STUDENT PATHWAYS (2025 – 2026)

We are contacting you to notify you that your child has made options for the next academic year here at Smithycroft Secondary School. As part of the course choice process your child has been supported by the S2 Year Team and Skills Development Scotland Career Advisor throughout assemblies and PSE time.

Curriculum

In S3, English, Mathematics, Physical Education and RMPS are core subjects within our curriculum. The additional subject(s) chosen in columns 3 - 8 for the next academic year will complete your child's timetable.

To fully support your child in understanding subject choices, we have created a '**Course Choice**' booklet with specific details of each course on offer in the curriculum. Please scan the QR code below to access the booklet.

Course Choice Booklet

Targeted Support

Throughout the course choice process, the S2 Year Team have considered key data, ensuring your child is signposted to subjects that suit their individual attainment profile, strengths and future aspirations.

- Pupil Voice
- Tracking Report Data
- Staff Recommendations across all subjects

Partnership / Return

We appreciate that this is an important time in your child's education. To that end, please engage in discussions with your child regarding options. We kindly ask you please sign the 'pathway form' to confirm options.

Pupils should then return 'pathway form' to registration teachers by **Thursday 13th February** at the latest. Any queries can be noted on the pathway form for the S2 Year Team to action.

Yours faithfully

Janice Baxter
S2 Depute Head Teacher (Acting)
