Dear Parent/Carer

### Uniform Standards

We are as keen as ever to uphold standards in the school and how we look is a key part of this.

When the colder weather came and Covid required ventilation in the school, we relaxed some of the rules around outdoor jackets. This has created some confusion in school amongst young people as to what exactly the uniform standard is.

From Monday 24<sup>th</sup> January, outdoor jackets can remain on in the school building outside of classrooms **on top of** the school blazer. They will not be allowed as a **substitute** for the school blazer. They should be removed in all classes.

The rest of the school uniform remains as normal and should be worn in full every day. I have attached our uniform graphic again to help you.

Where you are having issues sourcing uniform, please let us know and we can support you.

We want everyone to be dressed in full school uniform every day and want to support you in removing any barriers to this.

If young people are not appropriately dressed for school on arrival, we will be in touch to so that we can rectify this together.

As ever, any issues, please contact the Pastoral Care team or Year Heads.

Yours faithfully

Patrick Oberg
